

### The Red Hill Brewery

88 Red Hill Road Red Hill South 5989 2959 Melway 191 D5  
Thurs-Sun and public holidays 11 am-5 pm

A real brewery serving great food in a wonderful way – what more could you ask for? Beers range from a terrific golden ale to the outstanding wheat beer and scotch ale. All are made on-site and served fresh on tap, so visitors can experience beer at its best. The food is friendly and runs from nibbles to more hearty choices, including local mussels, a beef pie, a ploughman's plate and a small children's menu. This is a great addition to the Mornington Peninsula.

Over 800 food stores, markets, restaurants and cafes
